Trendsetting Mixes & Bar Secrets

SIGNATURE DRINKS

„A great cocktail, much like a masterpiece of art, is a composition of balance, innovation, and seduction. Each drink tells a story, just as every stroke of a brush or click of a shutter captures a moment in time. Welcome to my world, where cocktails meet the artistry of Warhol, Banksy, Da Vinci, and beyond. Here, in the heart of Berlin Mitte, at my beloved Sharlie Cheen Bar, I sip, reflect, and live. Let me take you on a journey through my eighteen favorite signature drinks and the artists who inspire them.“

„Each drink is a story, each sip a brushstroke on the canvas of my nights. At Sharlie Cheen Bar, we don't just serve cocktails – we pour art into your glass. So next time you take a sip, ask yourself:

**ARE YOU DRINKING A DRINK,
OR
ARE YOU TASTING A MASTERPIECE?“**

- sharlie cheen, 2025

WE LOVE YOU.
